Annual Report 2024-2025

Introduction from the District Youth Lead

Hey all,

Before we get into the full report, I would like to take this opportunity to look at the continued Scouting spirit displayed by our young people this year. It is always an amazing time when I am able to head along to our events and see people from across the city having fun and taking part together. Whether it's a water day at top barn or an international trip, the young people within Worcester District are always making the most of every opportunity we have been able to create for them.

It has also been great to see young people putting in the effort and helping these events happen themselves. I've experienced this firsthand at forums this year with the Cubs and Scouts where they have been full of ideas, both wacky and wonderful. We have also been supporting the new Explorers Youth Council as they take on more responsibility for the district program and our amazing young leaders in giving all our 4-14 members role models of what youth shaped Scouting can be.

Whether you're a young person turning up and taking part, a leader running meetings and camps galore or a parent running up the mileage giving lifts, thank you so much for being part of the amazing family that is Scouts Worcester.

Here's to another brilliant year!

Report from the District Lead Volunteer

Brian Jenkins - District Lead Volunteer

Leadership Changes

There have been many changes during 2024/2025, notably the transition from a District Team Lead structure to a single District Lead. Additionally, the district has undergone a period of transformation.

Recognition of Service

Ryan and Lucy stepped down from their roles in December to focus on other commitments within the district. Thanks are extended to both for their dedication and hard work over the past few years.

Membership Overview

The number of young members has increased by 1.5%, while adult volunteers have increased by some 29.1%, in line with the district plan. This positive trend reflects ongoing recruitment efforts and the welcoming environment fostered throughout the district. The addition of new adult volunteers has brought fresh energy and ideas, enhancing the support available to youth members and enabling the district to offer a broader range of activities and opportunities.

District Team

The district team has grown significantly, now covering many aspects of the district day to day operation. A big thank you for all their hard work during the year.

Looking Ahead

With a strong foundation in place, the district is well-positioned for continued growth and innovation in the coming year. Plans are underway to further develop youth opportunities, strengthen community partnerships, and continue supporting both new and existing members on their journeys.

Report from the District Events Team

Meg Larner - District Events Lead

Over the past year, Scout Worcester has delivered a fantastic programme of events that brought together fun, learning, and adventure for young people of all ages. We kicked off in September 2024 with a lively Beaver Sports Day, encouraging teamwork and active play, followed closely by a late Water Day for Scouts, setting the tone for a year full of energy and excitement. October saw the first Bonfire Night, where Squirrels and Beavers came together for an evening of backwoods cooking, lots of things that glow in the dark, and campfire songs around the campfire. Cubs also enjoyed a Board Games Day, promoting teamwork and social skills, while Explorers took part in a laid-back Chill Camp, providing a space to bond and recharge.

As we moved into 2025, events continued to build momentum. Scouts participated in the international Jambowlree bowling challenge in February, strengthening cross District teamwork in a fun and competitive setting. In April, Cubs travelled to Kinver for a day of outdoor adventure, tackling activities like climbing and archery. The summer term was packed with highlights, including Water Days for Beavers, Cubs, and Scouts, featuring games, obstacle courses, and plenty of splashing fun. Explorers had an especially active July, taking on Stand-Up Paddleboarding, an epic Water Fight, and a Youth led Challenge Hike that tested their navigation and endurance. They concluded their year in August with a meaningful Service Camp at Kinver, giving back to the movement by supporting campsite maintenance and improvement. These events reflect the diversity and spirit of Scouting in Worcester, where young people continue to build skills for life in safe, inclusive, and adventurous settings.

A major highlight of the year was the international trip to Belgium, where a group of Scouts and Explorers spent a week immersed in culture, history, and international friendship. The trip included visits to war memorials in Ypres, time exploring Brussels, and taking part in the moving Menin Gate Last Post Ceremony.

It has been a fantastic year of fun, learning, and growth across Scouts Worcester. Every event – from small section meetings to large-scale activities – has contributed to building confidence, resilience, and friendships among our young people.

We would like to extend a sincere thank you to all volunteers, leaders, helpers, parents, and supporters who made these events possible. Your time, passion, and commitment are what keep Scouting in Worcester thriving.

We look forward to an even more exciting year ahead!

Report from the Explorers Team

Allison Haines - District Explorers Lead

I am part of the team for District Lead for Explorers, and hope to work to engage all units across the District to strengthen the amazing programme they already deliver. The plan is to consolidate a programme with a wide variety of opportunities for our young people, across the whole district. We would like to have all explorers offered the same opportunities, to allow them to build on their interests and personal growth. Each unit will always have their own identity, but by coming together we can reduce the workload to all our leaders.

We held a chill camp last October, supported by 3 units, which went well. It would be great to offer more of these events to everyone. Even if unit leaders cannot attend, we need all young people to be invited. Summer term was finished with a water fight, slip and slide and powder paint battle at Ridgeway. This proved to be popular, and hopefully can be repeated.

I would urge all leaders to start to think about opening events to all district explorers. Paddleboarding and gliding last term was popular, and there is a lot to be said for economy of scale, offering our young people wide choices and keeping it affordable.

Report from the Network Team

Steven Eddies- District Network Lead

Black Pear Network have had another adventure-filled year. From the Roverway international jamboree in Norway, to a self-led Explorer Belt expedition across five countries, top awards expeditions closer to home in Yorkshire and Cumbria, and a Summer Camp to the Isle of Man - it's been busy! Not forgetting the more everyday events two to three times a week.

They've achieved an incredible 6 King's Scout Awards, 3 Chief Scout's Diamonds, 1 DofE Gold and 3 Explorer Belt awards, also laying the groundwork for more next year. Along with Scouts HW, they hosted the first ever local Scouts of the World Award Discovery event.

Now we are in 2025/26, there's plenty more going on as well, from the Scouts HW Costa Rica trip, Summer Camp in Scotland, two more Explorer Belt expeditions, paddleboard expeditions, and World Scout Moot, alongside the usual everyday adventure, and building links with Explorers.

Report from the Trustee Board

As you have hopefully seen from the rest of this report, 2024-25 has been another successful year for Worcester District.

As a trustee board, we have done our best to be responsive to the needs of the wider district. In particular, more resources have been committed to the volunteer development team in line with the district goals of increasing volunteer recruitment. We have also supported the growth in adventurous activities offering by focussing the budget on equipment purchase and storage as well as improving our inventory system.

The volunteers within the District have shown resilience and adaptability as we continued working towards the transformation goals laid out by headquarters. We have effectively adopted the new team based volunteering structure and the vast majority of volunteers successfully completed their

With the unfortunate departure of our chair and administrator during the year, the trustee board has had to adapt our processes to ensure proper record keeping and progress during this time, with the two roles responsibilities successfully dished out between the remaining trustees. We have also put time into ensuring that both our past and present records have been collated through updates to our digital systems.

With the incredible residential and international Scouting provision on offer from within the District alongside County and HQ events, we have pledged support to a number of young people in attending these events over the past year. We are also in the process of reworking our grants policy to help make these events even more accessible than before.

Thank you for your continued support of Scouting in Worcester.

Yours gratefully,

Callum Walters
